HAMMOND ROTARY CHARTERED  
MAY 1, 1920

## Meeting Notes From April 6, 2010

President Judith Walker called the meeting to order. We Sang You're A Grand Old Flag. Chandler Cardenas the son of Michelle Golden lead us in The Pledge of Allegiance. Judith helped us recite the Rotary Four Way Test. We then sang Take Me Out To The Ballgame. Stan Hess and Chandler Cardenas were introduced as guests. Rocharda Moore-Morris thanked the members and friends that will be hosting the Korean Group Study Exchange Team as guests in their homes. Hammond Rotary will act as the "Hub Club" for the one week period that the Korean Team will be in this part of NW Indiana. Valparaiso will host on Monday, Hammond and Munster Rotary will host a luncheon and other activities on Tuesday at Centennial Park Club House in Munster. Crown Point will host on Wednesday and there will be a vocational service day on Thursday. There are 31 reservations for the luncheon in Munster on Tuesday.

It was noticed that Clyde Rector was in attendance for the first time in a long time. Clyde has many years perfect attendance but he usually does make up meetings elsewhere.

Dianne Arias reminded us that the fund raising event for Bishop Noll Institute that we received notice for needs to have your R.S.V.P. soon.

Our extractors asked movie trivia questions about Edward Norton, James Cameron, Carmon Diaz, and Sophia Loren.

President Judy noted the very nice article about the World Affairs Conference in the Times.

Jeff Oesterle won the raffle and quiz with the number 883, he donated the winnings, \$10 to the African Water Fund. He drew the King of Spades in the big drawing, a loser.

Leanne Hoagland-Smith was our program speaker. Leanne is the Founder and Chief Results Officer of Advanced Systems in Valparaiso, Indiana. She came to us as a well known motivation speaker with 20 years sales management experience, 10 years in education, she is a columnist for the NW Indiana Post Tribune, and NBiz Magazine.

### THE FOUR-WAY TEST

Of the things we think, say or do  
**Is it the TRUTH?**  
**Is it FAIR to all concerned?**  
**Will it build GOODWILL and BETTER FRIENDSHIPS?**  
**Will it be BENEFICIAL to all concerned?**

### CALENDAR OF EVENTS

April 13 GSE Team from Korea, Cent. Park Munster  
April 20 NWI Literacy Coalition  
April 27 Musicians w/o Borders, Michael Greenwald  
May 4 Honors Scholars, 11:30 PUC Alumni Hall  
May 11

Leanne spoke about the origins of April Fools Day. Historically it is believed that the term dates back to 1582 when the calender was changed to its current form, those who refused to embrace this change were labeled fools.

Leanne went on to explain that April Fools Day was a metaphor for the fact that 90% of people refuse to change even when confronted facts, fear or force. Common excuses for not changing today are thinking you are unable to do that, that I have enough on my plate, I am from Missouri, If it was good enough for, then it is.... All of us can change, one of the better ways is to have a written plan, written goals, and work with our individual strengths and talents. Most people do not know their talents and their behaviors are foolish because they work harder not smarter.

Leanne then drew attention to the bookmarks that she had passed out to each table that gave brief synopsis of her program on one side, and a business and personal goal form on the backside.

Leanne left us with the problem of gazelles and lions in Africa. The gazelle must be able to run faster than the fastest lion, the lion must run faster than the slowest gazelle. She said the one thing they both must remember that each morning they must first start running.

There being no further business the meeting was adjourned.

Thank you to Jeff Oesterle for providing the meeting notes, and Jim McNabney for the attendance figures.
