Meeting Notes From MARCH 24, 2009

Announcements: Chancellor Howard Cohen, PUC, announced the "Building Community through the Arts" event to be held on April 4, 2009. The event will celebrate the culture of eastern Europe countries. Children are fee and welcome.

World Affairs Conference – President Judy Walker commented on the success of the event and the attendance of over 100 local high school students. She was impressed with their behavior and dress. Rotarian Rick Schumacher commented that he moderated one of the table discussions with the students and found a variety of views on the topic of the global economy to be interesting and ranged from liberal to conservative. President Judy thanked all of the Rotarian moderators who stayed after the Rotary meeting to moderate the table discussions.

PETS (President Elect Training) – President Judy Walker commented on her experience at the recent PETS conference in Kalamazoo, Michigan. She stated that there is so much depth to Rotary; she learned new and wonderful things, both local and worldwide. She also announced the District Conference which will be held on May 1 and 2 at Swan Lake Golf Resort in Plymouth, Indiana. Conference does include a golf outing on Saturday afternoon. She encouraged all Rotarians to attend this Rotary District event. It is a good event to learn more about Rotary and to celebrate the achievements of our Rotary District.

Hammond Rotary Golf Outing – Golf Chair, Jim Prisby is investigating with Tom Plosky, Chair of YMCA board the possibility to hold the golf outing at Lost Marsh. Proceeds of the event will go to fund the play ground at the Hammond YMCA.

Program - Classification talk of Rotarian Christina Figueroa. She has been married for over thirty years and has three children and five grandchildren. She was born in Chicago but raised in Puerto Rico. The motto, "It takes a village to raise a child," exemplified Christina's early years. She feels it was a blessing to be raised in Puerto Rico. The Puerto Rican people are warm, caring and great talkers. It is a slower way of life in Puerto Rico. She had a sheltered upbringing in the home of her grandparents. She was very shy and her grandfather taught her how to box so that she could protect herself. She lacked certain social skills and the neighbors got a priest, a man short in stature, involved who visited her grandparent's home, many times. He persisted and convinced her grandmother to send her to a boarding school. This changed her life. She was a top student but still very shy and literally would clam up when expected to speak. She went on to attend the University of Puerto Rico. After university, she decided that she wanted the challenge and excitement of the U.S.A. The nuns from the boarding school drove her to airport when she left Puerto Rico. She meet her husband in the U.S. and married. When he became seriously ill, she did not think she had the strength to care for his wounds, but she did so very ably. Rotarian Christina is a two time cancer survivor.

From The Publisher....Thank you to Mary Kaczka for providing the meeting notes, and Jim McNabney for the attendance figures.
