MEETINGS:  
Purdue Calumet Student Union  
Tuesday - 12:05

HAMMOND ROTARY CHARTERED  
MAY 1, 1920

## Meeting Notes From May 31, 2011

The meeting was started by singing My Country Tis of Thee. Michelle Golden led us in the Pledge of Allegiance. The prayer was said by Rev. Bassam Abdallah and the 4-Way Test was led by Judy Walker.

Visitors were Ed Salata and Lynette McDermott from the YMCA.

Cal Bellamy passed around a photo album from the Heinze Award luncheon which will be given to John Loxas.

Jim Prisby made a motion to nominate Chuck Sanger as secretary beginning July 1. A second was made by Rick Schumacher. Jim also passed out invitations for the Installation Dinner on July 9 at Briar Ridge Country Club and announced that a Golf Outing Committee meeting will take place after today's meeting.

Irma Torres-Cantu did extractions. The topic was crashes, disasters, accidents, and scandals. Money was collected from all tables along with pin penalties and tardies. Happy Bucks were collected from Rocharda Moore Morris, Judy, Michelle, and Lisa Woodruff.

Tim Anderson had the ticket for the Current Events Quiz. There is \$165 in the jackpot and 40 cards left. Tim pulled the two of clubs.

Tom Donovan introduced Trevor Fischback and Shaun Andres from the Society of Automotive Engineers. Their advisor, Rick Rickerson, was unable to attend due to jury duty. The students gave a brief overview of the student projects.

In this organization, students design and build one person off-road vehicles. They will participate in the SAE Baja competition. At this event, students race and sell their vehicles. They make formal sales presentations, wearing a suit and tie. They go through a rock crawl, mud bog, and four hour endurance race. The course can change while

### THE FOUR-WAY TEST

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

you are racing.

The car is made in the lab at Purdue Cal. Last year they participated in the race in Washington State and it took one week for the car to get there.

The students make their own transmissions and there is a 160 point technical inspection.

Another project is the Clean Snowmobile Challenge. This challenge allows the students to go green and allows them to be environmentally friendly while using existing knowledge to enhance a product. They are hoping to use an electric motor for this event.

The group is always in need of:

Help with travel accommodations

Gift cards for fuel, Walmart, Target, etc.

EZ-up tents

Tool storage and organizational containers

Parts

Services, such as heat treating, laser/water jet cutting, and raw materials (steel, aluminum, etc.)

In return, they can provide company logos on the car and trailer.

Our very generous Rotarians passed the basket and collected \$107 to give to the students.

Thank you to Lisa Woodruff for the attendance figures and Nancy Machnikowski for the meeting notes
