HAMMOND ROTARY CHARTERED

Meeting Notes From NOVEMBER 17, 2009

President Judy Walker led the membership in My Country 'Tis of Thee, Harry Smiddy began the Pledge of Allegiance, and Rev Bassam Abdallah offered another beautiful prayer. President Walker then presented newspaper photos of Bill Robinson for his participation in the Debate on the American Dream and Nancy Machnikowski for her involvement with Parents As Teachers.

President Judy also announced that Dave Mueller of Mueller's Hardware is looking for Rotary participation in this Saturday's Christmas Story Pageant in the form of an emcee willing to take a 2 hour shift for the karaoke program. Mary Kaczka then encouraged Rotarians to log onto the District 6540 website to follow Linda Randolph's GSE team in South Korea. Bud Baker announced that Dave and Jen Bell were on their way back to Kenya, and Bud thanked the Club for its generous donation to the water project. President Judy also reminded the members about the Foundation Seminar at Ancilla College in Plymouth this Saturday.

Jim McNabney successfully extracted money from each table with seasonal questions about Thanksgiving and turkeys. Mary Kaczka offered 2 happy bucks, one for Duane Dedelow being back and one for Lisa Woodruff for her starring role in Light in the Piazza at the Fourth Street Theater in Chester-ton. Bill Robinson offered a happy buck for his 94 year old mother who continues to rehab nicely, and Judy Walker happily paid a buck to announce that her son in California will be a father. Chuck Sanger ran the raffle which Duane Dedelow won. Duane donated the \$10 to the water project and drew the

Tom Donovan then provided an entertaining classification talk about his company Tri-Electronics, the highly successful Hammond company which traces its roots back to Tri-City Electrics of the Oesterle family. Tom summarized the workings of the company's seven divisions as follows: Bridgewater Custom Sound offers professional sound and video systems; Noble Communications runs the company's Nextel/ Sprint Stores; Radiotwoway sells radios and accessories and will gross \$3 million this year; Tri Radio sells radios at the local level; Engineering offers cabling, intercom, nurse call systems and fiber optics; Telephone provides phone systems, paging services and voice programs; and Security sells systems to facilities such as the Thompson Center and the Winnebago County Jail.

Thank you to Jim Prisby for providing the meeting notes, and Jim McNabney for the attendance figures.
